Ria van der Veen, Editor
Issue #8 – December 2011

This is our eighth newsletter, intended for all horse lovers, and mainly focusing on those of you interested in Dutch Warmbloods and Friesians.

Join Old Corner for the 2012 Stallion Inspections Tour!

Wendy and Ria will be organizing a tour again in January 2011. The dates are on the website as well as an informative letter. We advise people to arrive on Monday if at all possible so that they can start on Tuesday if they want. You could leave any day you like, by adding more days in Friesland and Amsterdam.

More details can be obtained by emailing us privately at riavanderveen@aol.com or info@oldcornerint.com. Also visit our website for updated information. Hotels are getting booked up and headsets for translation should be ordered in time to ensure availability.
